Gladness*

Dear Sisters in Christ,

*The mission of the Lutheran Women's Missionary League (LWML) is to assist each women of the Lutheran Church-Missouri synod in affirming her relationship with the Triune God so that she is enabled to use her gifts in ministry to the people of the world*

As I think about the mission statement it makes me consider what we as an organization do to assist. Through our mites we have assisted others in their mission both locally and nationally. Also as an organization we have so many available resources that are provided by the LWML. Via the computer ([www.lwml.org](http://www.lwml.org)) you will find free bible studies, devotions, mite dedications, helpful hints, etc. If you are able I highly recommend the on line daily devotion - what a great way to start your day. If you do not have a computer the mustard seed devotions can be obtained through the catalog. The LWML organization is constantly thinking of new ways to share their mission with others. Now even on Facebook!

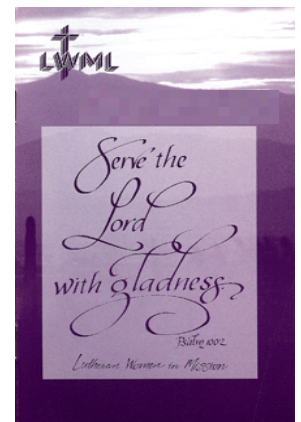

I recently had a conversation with a friend about her interests and where her gifts could be used in the ministry at her church and or the LWML. That is sometimes hard to determine; but I believe as you get involved and commit to the Lord, all that you do he will guide you down the right path. This is a big challenge as your new President since there are so many of you that I do not know but need your help in filling the committee positions that are currently open on the District Board. Many of you have taken the time to fill out the Talent Bank Survey which is greatly appreciated and which I will be referring to regularly. I would like to take this opportunity to mention a few positions that I am seeking individuals that would like to share their gifts .....Structure, Human Care, Public Relations. If you would like to see the full description of any of these duties I would be happy to talk to you or send that to you. Thank you for considering.

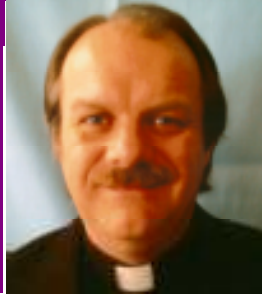

As the new year begins and looking back to the activities of the past six months our District LWML world experienced a great convention in Pittsburgh and plans are on the way for 2012 hosted by the Philadelphia/Anthracite Zones. The Fall Retreat at Camp Pioneer has come and gone with plans in the works for 2011. Spring Zone LWML events are in the works too. Lutheran Women never slow down. As we move ahead in this new year may the Lord continue to bless the ministries in your congregations and zones.

Linked together in Christ,

## ***"My Strength is My Weakness!"***

At this time, during the season of Advent I thought it might be a good idea for us to focus in on Elizabeth, the wife of Zachariah, and the mother of John the Baptist. I thought it a good fit for the ladies of the LWML because there is much that I believe you may relate too. Elizabeth is only mentioned at one point in the Scriptures, and that is Luke chapter one. But there is much that we can gather from these few verses. To begin with she is described as upright and blameless, observing the Lord's commands, and well along in years. We know that she was burdened by social customs because she considered her status as a barren woman a disgrace and because of the seclusion she imposed upon herself for five months. The scriptures don't say why, but it is reasonable to assume that because of her age, no one would believe that she was actually pregnant until it was blatantly obvious. We also know through her interaction with Mary that she was humble, *"why am I so favored, that the mother of my Lord should come to me,"* and that she was bold enough to take charge when the situation warranted it, *"No! He is to be called John!"*

Elizabeth was an individual, just like each of you! She had her strengths and she had her weaknesses. Her humility, her virtue and her confidence worked in her favor, while her age, her infertility and social customs worked against her. She was just like you in many ways and yet unique. God of course would use all of these things together for good. God is not limited by our inadequacies, nor is He empowered by our strengths. In fact in the hands of God, our strengths can become shortfalls, and our weaknesses, assets. All of this we know, yet knowledge does not equal assent. Just because we know something doesn't mean that we can live it. We know that God loves us, and can empower us, yet we fumble about for fear of inadequacy. It doesn't make sense!

But then much of our humanity doesn't make sense. My point is simply this, if God can use Elizabeth, not to mention, Mary, Pricilla, Aquila, Lydia, Esther, Sarah and Ruth, then He can most certainly use you. I don't know exactly what God has planned, but I do know this, He isn't through with you yet! He has got a plan and **you** are a vital part of it! Abraham was 75 years old before he even got started, Sarah was 90 before she first conceived, Moses had a speech impediment, Paul a thorn in the flesh, Mathew was a tax collector, Peter was impetuous, Samson had a weakness for the ladies, and Jonah found it difficult to forgive. Yet God used them! So long as you have life and breath God can use you, and there is no better time to get started than this, the Season of Christmas and Epiphany.

If God thought enough of you, to send his Son to that manger in Bethlehem, to a life of service, and a shameful demise, then how could you think any less of yourselves? Advent is the season of hope and expectation, not only of the nativity, but also the second coming, and the resurrection of all flesh. Yet the world is full of those who do not know God's love. Full of those who would demean the church, mock our holidays, and bring shame the cross of Christ. These misguided souls should not be hated, but pitied above all. They do not know God's love; they despise the only one who can really help them. They need our prayers. This is the season to pray for them. Don't wait any longer. Don't count your weaknesses or even your strengths; they will let you down, just count on God's love. Seek God's direction and follow his prompting, and you **will** be an asset, to your community, your congregation, your denomination and the LWML. Well done my good and faithful servants.

*Amen!*

*Rev. Bruce C. Donley, St. Michael Lutheran Church, LWML Eastern District Junior Counselor*

## NEWS FROM VP OF COMMUNICATIONS—DONNA COLEMAN

**LWML QUARTERLY SUBSCRIPTIONS**  
**NEW DEADLINE - MARCH 1, 2011!!!!**

**SOCIETY PRESIDENTS:** It is that time of year again to review the number of LWML Quarterlies your society is receiving. In this edition of the LINK you will find a Subscription Order Form for subscribing to the LWML Quarterly. I am requesting that **ALL** societies fill out a form even if nothing has changed in their subscriptions and return it to me **before the deadline of March 1, 2011**. This way I can confirm who is receiving Quarterlies and the number of Quarterlies they are receiving.

**Decreases** in LWML Quarterly subscriptions can be made only once a year, and the deadline to do that is April 1, 2011.

**Increases and changes of address** can be made anytime during the year. You can mail a Subscription Order Form to Donna Coleman, 542 Burritt Road, Hilton, NY 14468 to make those changes.

Societies are reminded to help defray the cost of the Quarterlies and Eastern District LWML LINK newsletter expenses by sending contributions to their **ZONE TREASURERS**, who will, in turn, send them to the Eastern District Financial Secretary. If you haven't covered the cost of your Quarterlies for the current fiscal year (April 1, 2010 through March 31, 2011), please do so as soon as possible! Special thanks to all those societies who have been covering the cost of their Quarterly subscription costs and LINK contributions to date!

The LWML Quarterly/LINK rates for the new fiscal year (April 1, 2011-March 31, 2012) will have increased due to printing and publishing cost. The new rates will be: \$8.00 per subscription for 1-9 copies to same address; \$6.50 per subscription for 10 or more copies to same address. These figures include the cost of the Quarterly plus a \$1.50 contribution towards the cost of the ED LWML LINK newsletter, one copy of which is sent to Society presidents in care of the congregation unless the president has requested the LINK editor to mail it directly to her home. Society Presidents are asked to share the District LWML news with their members either by making copies available or posting a copy at church and also glean the LINK for news to include with church publications.

**IMPORTANT FACT:** These donations will enable the District to use your mite box offerings more effectively for mission grants; otherwise the Quarterly and LINK expenses must come from these receipts!

**SOCIETY & ZONE OFFICER CHANGES:** Please notify Donna Coleman of any officer changes for the Eastern District LWML Directory so it can be kept up-to-date!

### **BUS TO PEORIA**

As some may know, we as part of the Northeast Coalition are hosting the 2013 national convention in Pittsburgh in 2013 SOOOO.....we are hoping to get as many members from our district and the other districts in the coalition to attend the Peoria convention where we will be issuing the invitation for 2013. SOOOO.....there may be a bus going from our district going to the Peoria convention. We would be leaving very early on Wednesday, June 22<sup>nd</sup> 2011 and returning very, very early Monday, June 27<sup>th</sup> 2011.

This would be a one 12-hour day trip to Peoria. Pick up spots would Buffalo, NY and Erie, PA. (There is an Econolodge approximately 15 minutes from the Buffalo pick up spot right off Rt. 90 West Exit 56 for anyone interested in staying the night before.) Total cost round trip on a beautiful Grand Tours bus would be approximately \$135 with 45 people on the bus. If we get 55 people, the cost would be approximately \$120. This cost would not include the extra night's lodging in Peoria on Wednesday. Our bus would be used for shuttle service to the convention center in Peoria. If our district brings a bus, those on the bus get preferred advance housing registration. We will be changing drivers in Cleveland.

Please let me know as soon as possible if you are interested in riding on the bus at [patchtroop546@aol.com](mailto:patchtroop546@aol.com) (please indicate LWML in the subject line) or at 716-649-4678. Registration forms may be available through email or zone presidents soon. Please let anyone in your zone or church who may be interested in going to Peoria this bus information.

We will be opening our bus to members from the other coalition districts. Hope to see you on the bus. Please contact me if you have any questions. **Would love to hear from anyone interested by Jan. 15th.**

Please keep up the great fund raising efforts.

**2013 CONVENTION—Has Your Zone or Society Donated To Start Up Fund????**

The 2013 LWML 35th Biennial Convention will be held in Pittsburgh, PA June 27-30, 2013. This convention is being hosted by the Atlantic, Eastern, English, New England and SELC Districts. As part of this coalition each District has been asked to contribute \$3000 toward the start of costs of this convention. The recycling effort continues but we need to raise more money. We need to do our part! There are many ways to raise money: bake sales, theme tray auctions, individual donations, plate offerings at meetings or at church and the list goes on. Please do your part so that our District can meet their obligations. It is an exciting time for our District to have a National Convention in our area, we need to do our part to help. Thanks

# News From Around the Zones

## BUFFALO ZONE

The Buffalo Zone had their Fall Rally at St. Paul, Eden. 42 ladies attended and listened to an inspiring presentation by Ann Werk, author, educator and pastor's wife from St. Paul Batavia. She spoke on the "Joy of the Call". She encouraged the ladies to find joy in their call as children as God. Some of her devotional books were available for purchase.

Karen Blackmon was elected as our new President and Bev Wicher will continue as secretary.

We will be having a February event where we will be sewing items to send to a mission or military personnel, details to follow.

Our Spring Workshop will be May 1st 9:30-2:00, place to be determined.

We thank Fern Sukow for her years of service as president.

## PITTSBURGH ZONE

The Fall Rally of the Pittsburgh Zone was held on October 9th, 2010 at Christ Church, Forest Hills. Rebecca Bessell, LWML President, Eastern District, spoke on the goals of the district and our "link" in Christ. It was an inspiring talk for us all.

The unique ingathering was plastic shoes (cros) for the children of Haiti, distributed thru the grain train. Their bright colors should be an encouragement to them.

Please know that even the smallest gift in ministry is great in the lord's eyes. Such is the stamp ministry, which collected 220# of cancelled stamps for the Canadian Bible Society. These turned into 2500 dollars, which is used to purchase bibles and devotional materials. Keep on clipping! Please remember to clip stamps leaving 1/4 inch around the edges, and bring to district events. All stamps are accepted, but commomerative are the best. Praise God for this outreach ministry!

We have the pleasure of announcing our zone officers. Zone President: Carol Kagemann, Good Shepherd, South Hills; 1st Vice President: Diane Olmstead, St Luke, Cabot; 2nd Vice President: Judy Chick, Christ Forest Hills, supported by her sisters of her local society; secretary: Marie Litke, Glenshaw and Treasurer: Marty Alsing, Calvary, Murrysville. Committee positions of co-chair person of Christian Life and chair person of Human Care will be appointed by the Zone President, as well as a new pastoral counselor, as Rev. Ron Rafferty is relocating to a call in Iowa. Thank God for his direction and leadership among us.

## NIAGARA ZONE

Spring Gathering is scheduled for Saturday, May 7, at Holy Cross Lutheran Church, Middleport, NY, beginning at 10:00 a.m, with a potluck luncheon shared at noon, followed by the National LWML Prayer Service. A health segment is also being planned for the morning session. More details will be announced, but ladies are encouraged to "save the date." Bea Hapeman will serve as zone delegate to the June 2011 National Convention, and Jan Voelker was selected as first alternate.

We recently received a letter from the Canadian Bible Society thanking the Eastern District LWML for partnering with them in their used stamp program which has realized \$2500 in sales in the last year from all who donate stamp. Their primary area of focus in the coming year will be providing Audio Bibles for the Canadian forces and their families. The Audio Bibles are much easier for them to use and links them with their families at home who are listening to the same Bible.

Please continue to save your stamps so that this ongoing ministry can continue. Please remember to clip stamps leaving 1/4 inch around the edges, and bring to district events. All stamps are accepted, but commomerative are the best. Praise God for this outreach ministry!

*Together  
Serving  
the Lord  
with  
Gladness*

Dear Sisters in Christ,

*You will show me the path that leads to life; your presence fills me with joy and brings me pleasure forever Psalm 16:11*

This was a verse from a mustard seed daily devotion which I saved and pulled out recently to reread. I am a saver of devotions and carry several with me all the time. This devotion asked the question where is your walk taking you. I particularly like this one because it helps me focus on the path I am traveling and does it follow the path Jesus has shown me. Sometimes I find myself wanting to be doing more than I can possibly do with the hours in a day so I need to step back and say is this really the path I should be on or is it just the path I think I should be on. Isn't it just hard to say "no not now" sometimes?

As your district president, the path of participation in the 2011 National Convention in Peoria this June is sometimes intense but includes such exciting things. There is still room on the bus that will be going if you are considering attending. A delegate from almost every zone and two from Pittsburgh will be attending. We will be joined by Pastor Bruce Donley as our counselor representing the district and Jennifer Carlson will be joining us as the Young Woman Representative. My husband and I have been regularly worshipping with Jennifer as she has become our adopted daughter during the past two years of her college enrollment at Roberts Wesleyan here in the Rochester area. In addition we have a representative from our district running for the National office of Vice President of Servant Resources and that is Claire Carlson who also is a past district president. It is honor to make the ballot for a national position so congratulations to Claire. We as a district are thankful for her dedication to the LWML and willingness to serve in this position. "For I know the plans I have for you declares the Lord" Jeremiah 29:11.

This LINK publication is full of information and dates of events coming in the next couple of years. Please take some time to read it and consider your participation. If you have any questions or comments please feel free to contact me or your local zone president. Complete contact information is also included for all officers, committee individuals and zone presidents.

Thank you for all the mites that flow in to pay for the grants that were selected at the 2010 District Convention As you will read we have paid the first grant of \$5,000 to Camp Pioneer and Retreat Center.

The district memorial/honorarium fund which currently has a negative balance pays for the expenses to send our Young Woman Representatives to both the district and national conventions. This is a wonderful opportunity and experience for young women, so the need to build that fund up is so important. I ask that you consider not only using it for a memorial gift but think today of someone who has made a impact on your life and/or your involvement in the LWML and send a donation in that person's honor. I plan to do that on a more regular basis and ask that you consider joining me.

Linked together in Christ,

**Rebecca Bessell, Eastern District President**

### The End is Near

Recent world events have again brought up discussions and thoughts that perhaps the world is drawing to a close. The devastating earthquake and tsunami in Japan fulfill the prophecy about end time natural disasters. **"There will be famines and earthquakes in various places (Matthew 24: 7).** The political unrest in northern Africa and the ongoing operations in Iraq and Afghanistan remind us of the wars and rumors of wars that are to occur near the end. **"You will hear of wars and rumors of wars..." (Matthew 24:6).** The rising price of gasoline and concerns about running out of fossil fuels multiply concerns of a global economic collapse and the devastation that would bring.

Is the world coming to an end? Yes. Right now? We do not know. Most all the prophecies concerning the signs of the end have already happened. There are a few signs left unfulfilled but one could reasonably argue we are very, very close to the apocalypse. It can be scary to think about. That is unless you know about Easter. In the Easter event we are taught about God's plan for us and the world. Because of our sin Jesus had to die on the cross as the sacrifice to atone for that sin. That's not all. All God's physical creation is under the curse and sentenced to death: The earth, the stars, the universe and us, too. In order for us to have the chance of new eternal life Jesus had to die. When he rose on Easter morning it meant his death-defying power was available to all. In a similar way as the creation dies it also will be reborn into a new, perfect, and everlasting dwelling for all God's saints.

It can be scary to think about the end of the world. When we understand and believe in God's plan to renew us and the world, we are better able to accept the things that are to come. The end of the world will mean the beginning of something even greater. What a sight that will be for our eyes to behold! As Christ's life also came to an end on the cross, the promises is ours that we shall be there to see all of God's wonderful renewing work. It will be ours to enjoy and give God thanks for to all eternity.

The Mission of the LWML is to help encourage and support the ongoing mission efforts to bring more people to the knowledge and confession of Christ's promise. How truly blessed we are that the Lord of the harvest has added us to the number of those who serve him with gladness in his great commission!

Is the end near? Maybe so, but with Christ's Easter power it will mean the new start our hearts have been longing for. Lord, come quickly!

*Blessings and Peace from Christ, Pastor Ron Breight*

**A NOTE FROM CHRISTIAN LIFE CHAIRMAN—KAREN DEVAN**

As I sit here in sunny Florida in the middle of February I am remembering the beginning of the New Year and the things I wanted to improve on during this year. Now as you read this it will already be April. I wonder how I'll be doing. God has given all of us a wonderful opportunity to share His love with others. That is a goal I always try to improve on. I want to be a witness for Him. I want to be a blessing to someone and I know that the Holy Spirit is my enabler to achieve this.

Christian Life is a WIP (work in progress). It's our attitude, our way of life. St. Paul tells us to hold fast to what is good in Romans 12:9. God has made us heirs to His kingdom. Now that is something to hold fast to. We can serve Him when we pray for others; when we listen, encourage and serve; when we study His word; when we participate in LWML; and when we go about daily routines with our focus on Jesus.

The LWML web site offers great material for us to use and glean information from. I mentioned this to our Zone Presidents through an e-mail back in January. I hope it has been shared and you are trying it out. Don't hesitate to go to: [lwml.org](http://lwml.org) and click on your areas of interest. We are called to serve. LWML brings us together as sisters in Christ. We linked together as we offer up on prayers on Mondays at noon. May you all know love and joy in your Christian Life as you walk with your Lord.

***Blessings, Karen Devan—Christian Life Chairman***

## PITTSBURGH ZONE

"After the devastating earthquake in Haiti, January 2010 it came to the attention of the ladies in the Pittsburgh Zone that there was something more they could do. They learned that thousands of children have had amputations of their feet and legs due to infections caused by walking through the muck which causes wounds and cuts

that become infected. The amputations are often needed to save lives. The ladies learned of a desperate need for shoes, especially the plastic ones that survive water — like "Croc". The ladies collected over 60 pairs of shoes along with \$1,350 to purchase shoes in Haiti. That cash donation provided Orphan Grain Train the Now won't it be hard to look at a pair of waterproof shoes without thinking of this story?

We encourage you to check with any agency you hear that needs some help. These ladies learned of this need from a newsletter from the Orphan Grain Train Maryland Division. Please take the time to check to see if needs are current and if not ask if there is something else you can do to help

### Give a Memorial OR HONORARIUM

#### MEMORIAL AND HONORARIUM FUND

*"I thank my God every time I remember you"*  
Philippians 1:3

Did you know that the Eastern District has a Memorial/Honor fund? This fund grows with the gifts that are sent in memory of a loved one or in honor of a person. The monies in this fund are used to cover the expenses to send young women representatives to both district and national conventions. Currently this fund has a negative balance of over \$1,000. When this happens the expenses must be covered by our operating fund which limits the usage for other areas. Please consider giving a gift in memory of someone special or in honor of someone who has made a difference in your life. Special memorial/honorarium envelopes to enclose your check are available from your zone president or from Jackie Blank. Checks can be made payable to Lutheran Women's Missionary League Eastern District and mailed to Jackie Blank, 6830 E. Bethany-LeRoy Road, Stafford, NY 14143 Thank you

*The mission of the Eastern District Lutheran Women's Missionary League is to assist each woman of the district in affirming her relationship with the Triune God so that she is enabled to use her gifts in ministry to the people of the world*

Together  
Serving  
the Lord  
with  
Gladness

**Dear Sisters in Christ,**

*And they realized they had been with Jesus. "For we cannot but speak the things which we have seen and heard." Acts 4:13b & 20*

Happy summer to you may it be an enjoyable time to spend with family and friends.

Also it is a great time to spend with your sisters in Christ. I recently returned from attending the National LWML Convention in Peoria with a theme of "Being With Jesus/Living On The Edge". It was a joy to attend as your district president and experience all that I did while in Peoria. Voting on the mission grants totaling \$1,825,000 that will be funded by the mites over the next two years was amazing. A highlight for me was the opening worship service and singing with over 4500 men and women. The Bible studies were inspiring along with the mission moments which included hearing from past grant recipients.

So why attend a convention? I would like to share with you the comments I heard from many, some it was their first time and others their 10<sup>th</sup>-20<sup>th</sup> time. I heard they enjoy feeling the energy and excitement from attending with so many other women. Many like I enjoy the opening service and hearing from past grant recipients. The Bible studies, servant events and special luncheon speakers were at the top of the list for some.

Yes there will always be time spent voting on the mission opportunities ahead of us, the officers who will be willing to serve and the changes that need to be made to our bylaws. This is part of what we are about and needs to be done. But with that said there is much opportunity to have fun, sing till you can't sing anymore, worship, participate in Bible study, make new friends and enjoy the company of previous acquaintances. Spending time with the 40 from the Eastern District some of whom I had never met was time well spent for me.

For those of you with computer access please check out lwml.org for convention highlights and videos where you will see Jennifer Carlson our young women representative and I walk in with the Eastern District banner. Jennifer kept me on track since I could not see where I was going.

I highly recommend attending a convention in the future, how about 2013 when we will join five other districts to host the national convention in Pittsburgh, Pa. I hope you will consider attending in the future. Please join me in the celebration of an organization established over 65 years ago and is still going strong.

## *"Gifted to Become"*

There is much to be said for adoption, and those who chose to follow Christ's example by adopting children are a shining example of Christ's love to the rest of us. Tony Dungy for example, one time head coach of the Tampa Bay Buccaneers, and the Indianapolis Colts adopted a child (Jordan) with congenital insensitivity to pain. That may sound like a disease you would love to have but let me assure you, it isn't! For a child with no sensitivity to pain is prone to do himself great harm without ever knowing it. He could touch a fire, grab a hot pan, eat a hot cookie straight from the oven, scalding his mouth and know no reason to stop. He is no less prone to injury; it is only the pain that he fails to appreciate. What really makes this story remarkable though of his wife's (Lauren's) reaction? At her insistence they immediately went out and adopted another child. According to his book "Quiet Strength," they assumed that they had been better equipped by God to care for Jordan's needs that others might have been. It was God's will and their privilege to serve. Likewise if William and Betty Victory had not chosen to adopt a little girl in 1960, I would have never come to know my wife.

But the real example is not Tony Dungy, nor my in-laws, but Jesus Christ. John 14:18-21 puts it this way, "I will not leave you as orphans; I will come to you. Before long, the world will not see me anymore, but you will see me. Because I live, you also will live. On that day you will realize that I am in my Father, and you are in me, and I am in you. Whoever has my commands and obeys them, he is the one who loves me. He who loves me will be loved by my Father, and I too will love him and show myself to him." In short, you have been adopted by the Holy Trinity, you have not been abandoned. Your sin has been forgiven; your debt has been paid. Your Father is wealthy, so there is no need to worry about food or clothing, about education or health care or funding a wedding. There is nothing you will ever need that he cannot and will not gladly provide. You have no need to work for a living; your real need is to serve your Father!

Hence you too have been especially gifted to serve God's purpose. But our gifts like our sins can often be hidden. We don't always recognize for what they are. Occasionally that which we think is a problem is actually our greatest asset. You see in order to discover our greatest potential we must be willing to be stretched and molded and bent in ways we are not exactly accustomed to. I must confess that as a pastor one of my greatest challenges is getting people to appreciate the enormity of this simple phrase, "Because I live, you also will live." As a child of God there is nothing whatsoever that is possible for God (shy of actually becoming God) that is not also possible for you. It's not a question of what can be done; the only question is what are you willing to do? The LWML has been granted a challenge, and that is to empower the women of the Lutheran church to discover their gifts and serve their God. So forget about your limitations, and focus your energies on enhancing your abilities. The question should not be what am I comfortable with, be rather what was God gifted me to become. **Amen!**

**FROM VP-COMMUNICATIONS-DONNA COLEMAN JUST A REMINDER...**if your society has not covered the cost of your Quarterly subscriptions for 2011-2012, please try and do so as soon as possible. Payment can be sent to your zone treasurer. Be sure to indicate on the check memo line "11-12 Quarterlies". The subscription cost also includes funds to help defray the cost of publishing and mailing the Eastern District LWML LINK. We are asking the society presidents to share items from the LINK with their members and to inform the congregation of LWML news through their church bulletins and newsletters. Please publicize the information about the upcoming Fall LWML Retreat at Pioneer Camp and Retreat Center. Information concerning the retreat can be found in this newsletter.

**PLEASE SEND ANY** society and zone officer changes (including name, office, address, phone number and e-mail address) so the Eastern District Directory can be kept up-to-date. I can be reached at [dcoleman851@aol.com](mailto:dcoleman851@aol.com) or send them by mail to 542 Burritt Road, Hilton, NY 14468.

Thank you to all my LWML sisters for their support during the recent national convention. I did not win the election for national Vice President of Organizational Resources. I know all of this was in God's hands. I saw Jan Struck, past retreat and convention speaker, right before the elections and she said be afraid if you lose an election because God may have something bigger planned for you. "For I know the plans I have for you," declares the Lord, "plans to prosper you and not to harm you, plans to give you hope and a future." Jeremiah 29:11 **God's blessings Claire Carlson**

**2013 CONVENTION**

The ladies of the six districts of the 2013 Coalition were able to meet at the Peoria Convention. It was great to meet so many sisters from other Districts that we will be working with to make the 2013 Convention happen in Pittsburgh. We were encouraged to talk it up and get as many workers and attendees as we can as we all work together to make our convention as meaningful as Peoria. We were encouraged to sign up to help. I'm sure we will have some of those forms available at the Retreat.

We were also encouraged to keep recycling; it is a great an easy fundraiser. So keep those cartridges coming as we help offset the costs of this convention.

# 2011-2013 LWML BIENNIUM MITE CHALLENGE START STRONG ... FINISH STRONG!

*We closed the 2009-2011 biennium mite challenge by receiving \$255,842.99 in the month of March alone. We need to start strong for the 2011-2013 biennium that began April 1, 2011 with this same enthusiasm in order to finish strong. While we wait for the delegates to vote at the convention in June, let's set a goal of at least \$78,000 needed each month as **together we continue to steadily support the work of the Lord through the LWML.***

*Join your LWML sisters and brothers in Christ in activities that help bring awareness to mite giving that will help to reach the 2011–2013 biennium mite goal. **Your support is needed!***

**CONVENTION HIGHLIGHTS**

**Yes! LWML Did Play In Peoria!**

Delegates to the 34th Biennial Convention of the LWML convened in Peoria from June 23-26. More than 4,600, including more than 40 from the Eastern District gathered to conduct business, renew friendships and rally around God's Word.

The theme of the convention was "Being With Jesus—Living On The Edge". We adopted a mission goal of \$1.825 million for the 2011-2013 biennium to support 19 grants approved by the voting body. To see the complete list see the LWML website at [www.lwml.org](http://www.lwml.org). The 585 delegates also elected new officers:

- Kay Kreklau—President
  - Pat Reichert—VP Special Focus Ministries
  - Carolyn Blum—VP of Organizational Resources
  - Lois Anderson—Treasurer
  - Rev. John Heckmann—Pastoral Counselor
- Please keep these officers and grants in your prayers.

The attendees of the convention were inspired by worship proclaimers Dr. Ken Klaus and Dr. Joe Meyer, searched the Scriptures with Bible study leader Dr. Reed Lessing, heard inspiring speakers Deb Burma and Katie Stam and recent LWML Grant recipient missionary speakers. Some from our District were able to participate in servant events, the "Mission in Motion" pledge walk and sing in the choir of 500 ladies. It was an inspiring week for all who attended and was even live-streamed on the internet. There are many pictures and videos available for viewing on the LWML website, check it out.

**REFLECTIONS FROM JENNIFER CARLSON**

I attended the Lutheran's Women Missionary League National Convention in Peoria, Illinois as Young Woman Representative for the Eastern District. I got to see as a Young Woman Representative the true scope and meaning of the LWML. I learned that throughout its history the LWML has used mites to raise 80 million dollars. In addition, at this convention the delegates voted on how to use almost 2 million dollars in mites for the proposed mission grants. I was also shown how LWML does not just raise money, but also volunteer their time for service and mission trips. The LWML is truly dedicated to God and His word. Before each vote from changing bylaws to elections, we prayed before voting.

We also had the opportunity to hear many speakers. Each speaker I heard brought God's Word into their messages including Miss America 2009 Katie Stam, hand bell soloist Kristine Stout, and several speakers that received mission grants from the LWML. The mission grant speakers showed how the LWML's past grants had helped their organization grow and helped many people and reach people with the Gospel.

At the convention you could see the direction that the LWML wants to go in order to reach a new audience in young women and expand to other groups. The LWML is able to be successful in reaching these groups and bringing them into the LWML family. Former President Jan Wendorf referred to the LWML as a Christian family and most the women I saw interacting acted that way; like they were seeing old friends even if I just met someone. Everyone was very friendly and welcoming establishing since I was Young Women Representative and new to the organization. The LWML always focuses on the Great commission and even showed that in all that they spoke about from mission grants to bylaws.

I would like to thank the Eastern District for sending me to the Peoria Convention and allowing me to represent them as their Young Woman Representative for the District.

# News From Around the Zones

## BUFFALO ZONE

The Buffalo Zone's Spring Workshop was held Saturday May 1 at Camp Pioneer. After an opening devotion by our Pastoral Counselor, Pastor Werk, we participated in a service project at Camp Pioneer helping them get ready for the camping season. The ladies washed window, tables and got mailings ready. The ladies worked in conjunction with some of the area churches that were also helping with landscaping and cleanup.

Our next event is our Summer Picnic, Wednesday July 13 at Camp Pioneer. We will gather at 3 for games and fellowship followed by a pot-luck dinner at 6. Bring a dish to pass and table settings for yourself and don't forget your white elephant items for our annual auction.

## CNY SOUTH

MISSIONS will be the theme of the Central NY South Zone Summer Celebration. It will be held at Trinity, Ithaca (149 Honness Lane) on Saturday, August 6, 2011. Registration will begin at 9:30 am with the opening devotion at 10 am.

We will learn more about three District Mission Grants to make us aware where our "mites" go. Work with the Mentally Disabled, a Burmese Refugee project and Lutheran Ministries Media will be the Grants that we will learn about. We will also have a hands on Mission Project and learn more about the "Feed My Hungry Children" campaign at Trinity which will be our "Gifts From the Hearts" ingathering. We are pleased that District President, Rebecca Bessell, will be joining us and invite all our sisters to join us for this day in beautiful Ithaca.

Zumba ( for our age group) will limber us before lunch. A short business meeting with greetings from Rebecca and a report from Suanne Hendricks about the convention in Peoria will be concluded with a closing devotion. See you there. *In His joy, Audrey Schneider, President*

## NIAGARA ZONE

**Summer Potluck Picnic** will take place at Immanuel Lutheran

Church, City of Tonawanda, **Tuesday, July 26**, beginning at 6:00 p.m. Delegate Bea Hapeman will report on the recent National LWML Convention.

*In Memoriam:* **Eleanor Senechal**, age 88, passed away on May 30th. Her funeral was Thursday, June 2 at 10:00 am at St. Mark Lutheran Church, North Tonawanda. Eleanor served her Lord faithfully and served in various capacities in the LWML. Memorials could be made to the Niagara Zone LWML.

## PHILADELPHIA ZONE

St. Philip's Lutheran Church was the site of the Spring Rally for the Philadelphia Zone on Saturday, April 30, 2011. Rev. Howard Alexander, the pastor at St. Philip's, led the worship service and an excellent Bible study based on the theme for the day: "For We Are God's Workmanship" from

Ephesians 2:10. The ingathering, led by Dorothy Koschmann, was pillowcases that can be used to make pillowcase dresses for the ladies and girls of Haiti. Many finished pillowcases were presented to the glory of God. The goal of our local Orphan Grain Train had been 1,000 dresses

by Easter and, in fact, over 2,000 were received. Praise God! Our guest speaker was LWML Eastern District President, Rebecca Bessell, who shared with us her hopes and dreams for the Eastern District

LWML and how our ladies can get involved. Rebecca is looking forward to the LWML National Convention in Peoria, the next District Convention in Lancaster, PA in June, 2012 and the next LWML National Convention in Pittsburgh in

2013! There is so much to look forward to and work together to achieve in Christ's name. Evelyn Spann, in one of the pictures, is a member of Holy Cross Church in Philadelphia and they are reactivating their LWML chapter! Praise God, again!!!

The Philadelphia & Anthracite Zones are continuing to work together to plan the next District Convention at the Doubletree at Willow Valley in Lancaster, PA, June 8-10, 2012. Please put this convention on your calendar and plan to attend. One of the tour opportunities will be to see the live theater presentation of "Jonah" at the Sight & Sound Theater in Lancaster. Plan to come early so you can see this wonderful Christian presentation.

The Eastern & English District Philadelphia Zones will meet together for our Fall Rally at Christ Memorial Lutheran Church in Malvern, PA on Saturday, October 22, 2011. If you are in the area, you are very welcome to attend!

Together  
Serving  
the Lord  
with  
Gladness

Dear Sisters in Christ,

*"There is a time for everything and a season for every activity under heaven" Ecclesiastes 3:1*

Happy fall, what a refreshing time of the year! A time for retreats, zone events and the activities that get rolling amongst our societies. When I reflect on the theme "The More Things Change" from this past retreat at Camp Pioneer and read Ecclesiastes 3 it makes me think about the things that have changed even in the past year in my life. I would bet you could join me with your own list. So how are we doing flowing with the change? Change can be a good thing and sometimes needs to happen. I believe that we grow with change and it gives God the opportunity to use us in different ways so that we can experience more.

As district president I have the great opportunity to see and learn from all of you. As I receive some of your zone minutes I read how you are changing and also as I visit others I get to experience those changes as well.

As terms of office come to an end for society, zone and district positions I hope you are in prayer as to where you can help. **LWML needs you!** As our new National President, Kay Kreklau's recent quarterly article stated "This is your time" She also included our recent retreat verse from Ecclesiastes 3 regarding there is a time for everything. I ask you to consider where you can assist as well as encourage someone who you believe would enjoy serving the Lord with gladness along with many other women. We are the face of LWML and wonderful things are happening in the organization. NOW is the time to join in if you are not already doing so. Let's together move the mission forward.

To every thing  
there is a **SEASON**  
and a **TIME**  
to every purpose  
under the *heaven*

Ecclesiastes 3:1

*Linked together in Christ,*

## Pray That Again, Sam

This month my article has a simple and straightforward message. Keep Praying! From time to time it is good to repeat this and be reminded. Why? *Because we as fallen creatures are naturally adverse to prayer.* It takes time away from what we might rather be doing, even if that means doing nothing at all! Some try to solve this problem by multi-tasking prayer. They pray while they drive, exercise, or do other activities. This is certainly possible and often it can be a good thing, but it is only recommended as a supplement to prayer away from the distractions of the world and in the quietness of the heart. "Be *still*, and know that I am God." Ps. 46:10 Plus, I encourage you *not* to fold your hands, bow your head and close your eyes while driving on the parkway!

Prayer is also hard work, and how often the path of least resistance is preferred. In prayer, we place the needs of others before our own desires, and isn't that one of the hardest things of all?

The family of God requires constant prayer and it cannot survive without it. Anyone who wants to see the work of the LWML do well is first directed to pray that God bless it with the Holy Spirit and all the gifts He brings. Pray for those involved in missions we support. Pray for all the LWML members. Pray for all the leaders. Pray for all the staff. Pray for the difficulties it faces. Pray for the sick and those experiencing trouble in their life. Pray for those you disagree with. Pray for those you are displeased with. Pray for those who do not attend. Pray for yourself. Select a time of day that works best for you and use it to pray, pray and pray.

Those who pray in this way will testify to the personal blessing they receive because of it. If a pipe sits unused for a while, it gets clogged. This cannot happen if it is used often. Anything passing through the pipe will help to clear out any spider webs, deposits and corrosion. It is always wide open and ready for the next use. So, too, is it with prayer. Have you ever noticed how hard it is to get good prayer going again after you have quit for awhile? That doesn't happen if you keep using your pipeline to God. Also, when you pray for someone you have something against, the temptation to hatred is greatly reduced. To walk with the Lord includes having a life of prayer, since we know from the Gospels that Jesus was Himself a man of prayer.

The Lord bless you, therefore, with an inward desire to pray and an outward manifestation of that inward desire!

Yours in prayer, Pastor Ron Bright, Eastern District Senior Counselor

*Lead me in thy truth and teach me: for thou art the God of my salvation; on thee do I wait all day. Psalm 25:5*

If you were at the recent LWML Fall Retreat you heard about the Lutheran Malaria Initiative, which is LWML's Mission for October. If you weren't there the story is below. In addition to the LWML Grant The Lutheran Church Missouri Synod is encouraging congregations, organizations within congregation and individuals to help support "the Lutheran Malaria Initiative"

The Lutheran Malaria Initiative is partnering with "Nothing But Nets" to bring Lutherans an exciting way to get involved in the fight against malaria. Just \$10 buys an insecticide-treated bed net, delivers it to someone in Africa, and educates them on its use. Protecting people from malaria-infected mosquitoes is that easy; send a net, save a life.

It's something you can do right now.

The hope is that all LWML Zones and Societies of the Eastern District will embrace this initiative. You can support this through your mites but you can do more. Spread the word, make people aware, have a collection, do a special fundraiser, have a special plate offering. Remember that just \$10 can make a difference! As we all know so well in the LWML all of us working together can make a big difference. For more information go to [Lutheranmalaria.org](http://Lutheranmalaria.org) or contact Bev Wicher at [lwmlink@roadrunner.com](mailto:lwmlink@roadrunner.com)

### **The Lutheran Malaria Initiative-Kenya, East Africa \$100,000**

At this summer's convention in Peoria, Illinois, the Lutheran Women's Missionary League (LWML) voted to support a \$100,000 mission grant for the work of the Kenyan Lutheran churches as they join with Kenya's national commitment to eradicate malaria. LCMS and LWR are working with Kenyan Lutheran church partners to mobilize communities, empower healthcare providers and medical facilities, and strengthen institutional capacity to contribute to the shared goal of ending malaria deaths. This work on malaria education will be integrated with the Word and Sacrament ministry of the Lutheran churches. May God bless the efforts of the LWML to show His love to people, especially children and pregnant mothers in East Africa, who are in the most danger of contracting malaria through mosquito bites. Through their contact with Lutheran Churches in Kenya, may these families also receive the Good News of salvation through faith in Jesus, the Great Healer of all our diseases. Please support this grant with your prayers and mite offerings, so that by God's grace, malaria deaths can be contained in Kenya and throughout the globe by 2015.

Fact: Malaria is carried to humans through the bites of infected mosquitoes.

Fact: Malaria is a preventable and treatable disease.

Fact: Nearly 500 million people a year are infected, and upwards of one million people die each year from this disease.

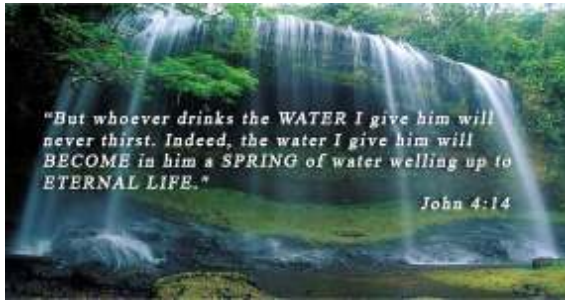

Fact: Pregnant women and children under the age of five (5) are most vulnerable to this disease.

Fact: One child dies every 45 seconds from malaria.

Fact: Malaria is the leading cause of death in Kenya, and only eight percent of children infected will receive appropriate treatment.

Fact: The Lutheran Malaria Initiative (LMI) is a collaborative effort of The Lutheran Church-Missouri Synod (LCMS) and Lutheran World Relief (LWR) to mobilize millions of Lutherans in the United States to join the battle against malaria.

Fact: This LWML grant will advocate for the availability of insecticide-treated mosquito nets, medicines and other supplies at local health Facilities

## WHERE WILL YOU BE JUNE 27-30, 2013???

### PITTSBURGH, PA, OF COURSE FOR THE 35TH BIENNIAL LWML CONVENTION

The Executive Committee of the Lutheran Women's Missionary League (LWML) announces the theme and Scripture verses for the  
35th Biennial LWML Convention that will be held June 27-30, 2013 in

## ANTRACITE ZONE

### Enabling the Blind to See Jesus— by Karen Klien

Thirty dedicated volunteers meet weekly at Immanuel Lutheran Church parish hall in Scranton, Pennsylvania to fill the great need of having the Word of God available to the blind and the visually impaired throughout the world. One group works on Monday evenings and the other group on Tuesday mornings. Immanuel's volunteers alternate weekly on making Volume 1 and Volume 2 of Isaiah which are two of the thirty-seven volumes that compose one Braille or Large Print Bible.

This group gathers at one out of one hundred eighty-nine work centers in Canada and United States that assist the mission of Lutheran Braille Workers, Inc. in Yucaipa, California that provides the message of salvation through faith in Jesus Christ to individuals who are blind or visually impaired throughout the world. Braille materials that are distributed through Lutheran Braille Workers are in thirty languages and are dispersed in over one hundred thirty countries. Volunteers produce each book by punching holes, numbering pages, collating pages, placing them on the zinc plates, putting them through the press and binding the pages. Then, they audit the materials, pack the books, and ship them throughout the world from the local post office. Volunteers range in ages from twelve to nine-two years old. On 8-14-11, Immanuel Braille workers hosted a brunch as a fundraiser for Lutheran Braille Workers, Inc. which serves 160 million vision impaired people. Additional information about Immanuel Lutheran's Braille Mission Project may be found at ImmanuelScranton.com.

## BUFFALO ZONE

Making favors for retreat

The ladies of the Buffalo Zone enjoyed a beautiful summer afternoon at their annual summer picnic at Camp Pioneer in July. We also got together to make favors for the fall retreat. The retreat was very inspiring with retreat speaker Ann Werk and what

fun our entertainment skit "Buffalo Beauties Fashion Show" was.

Our **Fall Rally** will be **October 2 at Salem Lutheran Church**. We will start with a light lunch at 1 pm. Registration fee is \$3. We are looking forward to hearing from our speaker Rev. Alex Knowles, new director of Pioneer Camp and Retreat Center. There will also be a presentation on the Lutheran Malaria Initiative.

Rev. Alex Knowles

## CNY SOUTH

Our **SUMMER Celebration** in Ithaca was a wonderful time of learning and fellowship. One of the "highlights" was Zumba with

Jill Lukach as will be noted in the pictures. Pastor Foote of Ithaca as well as our counselor, Pastor Hendricks of Vestal *tried* to participate. Bears were made for children in the hospitals and our "Gifts from the Heart" went to Ithaca's Feed My Starving Children campaign.

Plans are under way for our **FALL Celebration** which will be on **Saturday, Oct. 29 at Grace, Vestal**. Registration will begin at 10 AM followed by a Bible Study led by Dr. Paul Maier beginning at 10:30. After lunch we will have a short meeting and then adjourn for a Circuit Reformation Service. An ingathering for our troops will be the "Gifts from the Heart" for that meeting. Each Society has a list of the items that will be gathered. It will be a memorable day and we are encouraging families to join us.
